Welcome Home to Alpine church of Christ

January 6, 2019

Ordinary people serving an extraordinary God.

By their fruit you will know them...

Or in this case, by their nut (which is the fruit of an oak tree). You can always tell what something IS by what it produces. At the next family meeting we will look at the fruit of the local church in Alpine by looking at what we produced in 2018. We will look at our priorities and see what we did about them. We will examine attendance, contributions, activities, budget outcomes, etc. This is an effective way to see what our local church has chosen as a priority. Join us on January 20 for "The state of the Alpine church."

Sunday, January 06

9:45 a.m. Our first lesson of 2019 was focused on the nature of God (Roman. 1:26f). We are taking advantage of the latest internet postings of NASA to look at the power and eternal nature of God. Join us each Sunday morning at 9:45 a.m.

Book study today on chapter 7, Nathanael. We will meet from 5:20-5:50 in the annex.

We have an evening assembly tonight. We will examine the rest of the local churches in Alpine. Come join the study.

Wednesday, January 09

We continue our chronological study of the Old Testament beginning in I Kings. We begin at 5:30.

Friday, January 11

Don't forget game night. It begins at 6 p.m. with food, games, and fellowship until you have to leave.

Neither rain, nor sleet, nor snow could prevent us from our Wednesday night Bible class. We had a great class!

Continuing in fellowship...

Why not build on the successes of 2018? Game night was such a positive, team-building experience that many decided to bring in the new year with a New Years' Eve game night. Good food! Hotdogs, homemade chili, cherry dump cake, etc. Hungry? Come join the fun on Friday nights in January.
