## Welcome Home to Alpine church of Christ

February 09, 2020

Ordinary people serving an extraordinary God.

### Sunday evening in February.

Come join the fellowship on Sunday evenings in February at 1 p.m. in the annex. No typo, just a one month change so we can eat lunch together and praise God earlier in the afternoon. Try it out! Many of us cook lunch together, then enjoy the meal with each other. We reassemble at 1 p.m. with the young men and children learning to read scripture, practice leading singing, and pray. The adult men learn to give devotional talks. Interested in learning? Come to today's 1:00 p.m. meeting and volunteer to give a devotional talk. No experience required!

Congratulations to Travis and his family! On to college and a great new experience.

## Our college age group in action!

Our two last events are examples of the church's wisdom in asking Charles and Caleb to work with our youth and college-age students. Ok, so one person is a little beyond college age (pretend you didn't notice her). This picture is from Friday night in the annex. Phase-10 continues!

**Today** we continue our study in the Old Testament, Haggai. We relate to the message of this prophet as we place our relationship to God above self. Read: Romans 15:4.

**This Wednesday at 5:15 p.m.** we continue our study of *Elohim*, the spirit world. Come join us!
