### Come read about the conversion of Wissam on Wednesdays at 6:30 p.m.

Last Wednesday night, after Bible study, several of us participated in a shared reading of Wissam's conversion. It took place in the home of Curtis and Carol (404 E. Sul Ross or right next door to the church building). We had a light meal and read *I Am An Arab and I Am A Christian*. We will continue this activity each Wednesday night until we finish the book. We end promptly at 7:30 so families can get night time routines accomplished.

## Welcome Home to Alpine church of Christ

February 10, 2019

Ordinary people serving an extraordinary God.

### Help us make April 27 a success!

A group of volunteers is meeting this Sunday at 1:00 p.m. in the annex to plan for the upcoming Gospel Meeting. We need you! There are many ways to help. We need somebody willing to meet Wissam at the Midland-Odessa International Airport. We need somebody to make sure the hotel room is welcoming ("Welcome" basket?). We need help knocking doors, creating posters, planning for the Saturday evening light meal and the Sunday pot-luck, and much more. Bring your thinking cap and a pad of paper to take notes. This is a chance to make a difference! Plan to help make April 27 a success!

*Our book study is on Muscle and the Shovel. This book challenges denominationalism. 5:20 p.m. in annex.*

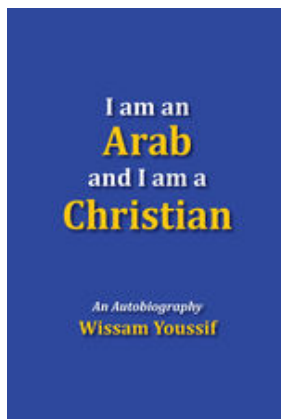

### Wednesday, January 30 at 5:30 p.m. in the annex

We continue our study of the Old Testament. Our focus next Wednesday is on the period between Malachi and the coming of Christ.

### Friday, February 01

Don't forget game night. It begins at 6 p.m. with food, games, and fellowship until you have to leave. Come enjoy yourself!

Don't forget our shared reading each Wednesday night after our study of the Old Testament. We will have a light meal and then take turns reading aloud. We plan to begin at 6:30 and end promptly at 7:30. Come join us as we prepare for the Gospel meeting with Wissam on April 27. We want to be able to share his powerful testimony of the saving power of the Gospel.

We continue getting examples of people caring enough about you to go the extra mile. This week, direct your mind to something rarely seen, the baptistery. Just water, right? That water is changed often to keep it clean. It is a several hour process. James and Curtis took care of it this month. Would you like to help?
