Welcome to the Alpine church of Christ

March 05, 2023

Ordinary people serving an extraordinary God.

Come join in the fellowship next Sunday evening at 6 p.m. in the annex and the surrounding yards. Fellow Christians from Huntsville are our honored guests.

Our Huntsville brothers and sisters in Christ will be visiting during Spring Break. Come worship together next Sunday, March 12, 2023. A meal and devotional are planned for the evening in the annex.

Kats For Christ is a Huntsville church of Christ ministry serving Sam Houston State University for more than 60 years. With the use of a building that is now in the heart of the campus, Kats For Christ functions as a missional outreach to the nearly 25,000 students of the university as well as a home away from home and discipleship avenue for those that already believe. Over the decades the Kats For Christ has been involved with the university in free meals, Bible studies, benevolence, service work, and just about anything you can imagine serving the Lord. Currently we operate with an open building for most of the week that provides wi-fi, a kitchen, bathrooms, study areas, bibles, spiritual books, a shower, and comfortable sitting areas as well as 4 bible study/worship times a week, daily common prayer, separate student run Bible studies, integration into the local church, service work, an open door to the campus ministers office, and bi-weekly special events. We draw in people from varied stages of faith backgrounds to seekers of all kinds. Community is especially important to us and we often say: "We do the dirty work of community".
