Every congregation can choose their date and set their own time, but it likely needs to be around 3:30 p.m. so people can get off the road by early evening.

## Welcome Home to Alpine church of Christ

March 17, 2019

Ordinary people serving an extraordinary God.

**When I was a teenager I asked my mother how I know that I am an adult. Her response? "When you do things without being asked". How do you know when a local church is growing? Maybe having many of our regular members not at Bible class but the class still being full. YES!**

# MUSLIM TO CHRISTIAN

Hear the compelling story of one man's quest for truth.

You are invited to hear Wissam Al-Aethawi share his testimony on the power of the Holy Bible to convey Jesus as the Messiah and Son of God.

Wissam, an engineer from Iraq, studied the Koran as a young man. He then read the Bible for himself and became a Christian.
