Welcome to the Alpine church of Christ

April 04, 2021

Ordinary people serving an extraordinary God.

Laughing with others means caring enough to be around others. Our college-age members superbly demonstrate the success of the first-century church. Every Monday and Friday, a gathering reaches out to our community. Great examples!

“People matter” is the cry of spending Friday nights with others at “game night”! Hailey cooked Chicken Alfredo and brownies to treat fellow-members and guests. Hailey is a blessing from God!

What are all these cars doing at the church building on a Monday evening?

Maybe the answer lies in who drove the cars. Our massive group of college-age members love God’s Word and each other!
