Ordinary people serving an extraordinary God.

Our 5th Sunday devotional at the Porter home was a literal and spiritual feast!

Caleb's lesson was inspiring and motivating. Trust our Creator!

*Friends come in many shapes
and sizes
They can be a sister or a mother
We cherish them all the same
We love them like no other
We share the laughter and the
tears
Together through the ups and
downs that come
A friend makes us realize
That two are better than one!

Of course, it never hurts to mix fun with food. Was it a friendly game of "Corn hole"? Yes, but all four participants were interested in a win.
