**One** birthday and **one** anniversary this week. **June 6—Ladd's anniversary.** No Wednesday Bible study and no ladies study.

## What do people do on Sunday afternoon during this COVID-19 outbreak?

This group meets at 1 p.m. in the annex for lunch and a study in I Timothy. What a great book to learn how to serve the Lord! Today we study II Timothy.

## Congratulations graduates!

Congratulations to Kade, Jodi, and Travis! The crazy end of the 2020 school year will give way to a new beginning! May God direct your paths!

**Rain falls on the just and the unjust,** but in Alpine we found hail works the same way. Ask Charles or Doris about the crazy challenges of hail last week. A few hours later the ground was as if it never happened.
