### What a tremendous class last Sunday!

DJ Pearson taught the adult Bible class last week and today. The two part lesson ("Saints and Smugglers") was on the Cartel's use of religion in the smuggling of people and drugs. Thank you DJ!

## Welcome Home to Alpine church of Christ

June 09, 2019

Ordinary people serving an extraordinary God.

### Greatest sign of a healthy local church? Teamwork.

Martha asked for help with coordinating a local VBS this year. The result? Members came together and secured our first VBS. It is scheduled for July 13. Curtis asked for help preaching and teaching on June 23 so he could have some medical tests run. The result? Mark was willing to teach the adult class AND preach. Curtis' appointment was changed and he will be here on Sunday. Travis is still preaching in the evening and DJ is leading singing. The point is, that's teamwork!

John Milton Gregory.

If you would like to refine or explore your teaching skills (to include teaching classes or giving devotional talks), this class is a must. 5:20 p.m. each Sunday in June. It is appropriate for both men and women.

### AED/CPR/First Aid update continues

Elaine led another first responder update after the Sunday morning assembly last Sunday. Many of our number were out of town, but the need to be able to respond quickly and appropriately says that the trainings must continue. We hope we never have to intervene, but want to be prepared just in case.

Spread the word!
