Welcome to the

Alpine church of Christ

August 01, 2021

Ordinary people serving an extraordinary God.

Last Sunday's Final "First Principles class, chapter 2" highlights the importance of the local church for personal spiritual growth. We demonstrate our love for God by the way we treat fellow believers.

Interesting summary of the Gospel

"Matthew was written to the Jews so they would learn Jesus was the Messiah and fulfilled prophecies. Matthew is big on quoting prophecy. Mark is written to the Gentiles, specifically the Romans. It's the busy book. Jesus is always going and acting. Luke is the history book. Luke wants to prove this whole Jesus thing was a real historical event, so he is always referring to the historical figures and specific places. John is the odd duck as his gospel was written near the end of the first century in response to a specific heresy (Jesus was just a spirit). He wanted to show Jesus was a real human being". Dale Burris was baptized into Christ last Friday, July 30, at 5:35 p.m. This is the same Dale that preaches in Terlingua, Ft. Stockton, and many other places, but now he KNOWS that he was baptized for the correct reason. What a great example!

New world Alpine "Movie Night" record set last Friday: **17** in attendance!
