What a classic photo! This summer one of our own, Dominique, travelled to different parts of Europe with a group called, "People to People." What a great way to learn about different people and different cultures. What a way to be an ambassador for Christ.

## Welcome Home to Alpine church of Christ

August 11, 2019

Ordinary people serving an extraordinary God.

### **Wednesday night Bible study is an option.**

Every Wednesday night since September 2017 members and visitors have been meeting in the annex to encourage one another. The times have moved from time to time (we meet at 6 p.m. for now), the faces have changed from time to time, but the opportunity is still there. This Wednesday we are continuing our discussion of teaching the Gospel to others. We have scripture reading as well as discussions. You are welcome to join us each and every Wednesday. We begin in prayer and song. We even have kids' classes! Charles teaches the older children and Carol teaches the younger.

Valeria has now been introduced to a more fuel efficient way to travel! Just kidding. She is shadowing surgeons at a hospital in Zaragoza, Spain. Her group has also taken in some sights. Another ambassador for Christ!

## Goodwill ambassador...

“Jodi visited family living in Germany for 10 days in July. She enjoyed soaking up the culture and bouncing from city to city via train. She spent most of her time in Düsseldorf, Bonn, Cologne, and surrounding villages. She visited many castles, cathedrals, and museums. She also made time in her busy schedule to visit the Lindt chocolate factory and an amusement park. This was her first experience overseas, and she took advantage of every opportunity to try local foods and lifestyle. She had a great time and learned many new things about the history of Germany.”
