Did you get to hear DJ's lesson on the history of Mormonism?

DJ did a Sunday morning Bible class on Joseph Smith and the beginnings of the Mormon faith. Come to the Sunday morning Bible class (9:45 in the back of the auditorium). We are learning to appreciate the simplicity of the Gospel.

Ordinary people serving an extraordinary God.

Consistency is the key to growth.

Every Tuesday at 11 a.m. during the Spring and Summer a group of ladies has met for Bible study in the annex. No matter what, the ladies pictured above have taken the time out of their day to study. The current study is the Holy Spirit. These ladies are inspiring! They capture the "marathon" idea of Hebrews 12. The study will take a three week break (no class 8/20, 8/27, and 9/3). Class will resume September 10.

Do you ever wonder what would happen if we treated our Bible like we do our cell phone?

What if we carried it around in our purse or pocket?

What if we turned back to get it if we forgot it?

What if we flipped through it several times a day?

What if we used it to receive messages from the 'text'?

What if we treated it like we couldn't live without it?

What if we used it when we traveled?

What if we used it in case of emergency?

Oh, and one more thing. Unlike our cell phone, we don't ever have to worry about our scriptures being disconnected, because the bill has already been paid.

New teaching tool for the kids during the Sunday morning sermon.

Carol and Martha spent Sunday afternoon brainstorming ways to keep the children meaningfully engaged so the parents/guardians can get something out of the sermon. They pooled their experiences from the past and put together a goodie/learning bag. The kids retrieve the bag just before the lesson and return it to the table in the back to be refilled for the next Sunday. Suggestions are welcome!
