# Welcome to the Alpine church of Christ

August 21, 2022

Ordinary people serving an extraordinary God.

The Alpine Church of Christ is in the hands of loving, caring, and committed college-age students. The recent VBS testifies to an interest in the welfare and spiritual growth of our children. What a blessing!

**Last Sunday to participate in our  
“Care package” collection for our  
college-age students.**

*Three days of David's examples of faith. Day one was David as a young man, able to defeat a bear and a lion through God's might and power. Day two was the defeat of Goliath.*

I continue to feel prompted to remind you (& myself) of the importance of rest & resting in the Lord. We see in Matthew 11:28-29 where Jesus tells us to come to Him when we are burdened and weary, It is so important that we do that. “Busy-ness” and overworking/overstressing are tools of the evil one. When we are “too busy” to have our quiet time, or “too busy” to have time for prayer, or when our Sunday mornings become our “time to catch up” on work from the previous week so that we aren’t able to attend worship or Bible study, Satan wins. Satan’s schemes are to keep us so busy, even with things of the church, that we take our eyes off Christ & focus on this world. It is then that we must stop. We must always make sure that our priority is Christ & that He comes first-in our time, in our finances, in our family, in our marriage, in our lives-Jesus first.

Dear brother and sister-in-Christ, I pray for you to be intentional in having times to rest, physically, mentally, emotionally & spiritually-even with very full & busy days, our strength & hope are in Christ alone. Rest in Him each day.
