2020 is just around the corner!

We have had a church budget for 2 years now. According to our family meeting on Sunday our budget brings in more than we spend on budgeted items. It is now time to begin planning for next year. What worked? What do we want to add? What did not work? What do we want to take out of our budget? What shall we prioritize? Have any ideas? Please take these questions into consideration and spend family time talking and praying about the Alpine church.

“Game night” has moved to 6 p.m. on Saturday

Christi Pearson suggested that we move game night from Friday to Saturday night. Many of our high school members have school activities during the week (especially Fridays). The family meeting was the perfect format to talk about the importance of being together. Thank you Christi for an important conversation on fellowship.

Ordinary people serving an extraordinary God.

Charles begins a new youth series on Wednesday nights.

Every Wednesday night families gather to encourage one another and praise God. Charles Fox teaches a student class in the auditorium. The youth class just finished an 8-week DVD series, *Wild Brothers*, who live in the jungle highlands of Indonesia. Come next week and enjoy the fellowship. See you on Wednesday at 6 p.m.

So, the Wednesday night Bible class attendance is exploding!

We have an adult class, a toddler class, and a childrens' class. If you aren't part of the explosion, it is never too late. Besides great fellowship, you just might meet someone new! Last week we met an Alpine school counselor, her two children, and a friend from La Vernia. This week we met a new college student and his family. Don't miss the fellowship!
