## **About our special guest, Donny Weimar**

Donny has been an instructor for Tennessee Bible College for thirteen years. He will be married to Eilene for twenty-nine years this coming September 11<sup>th</sup>. They reared two boys who are now married and live in Austin. They have a young adult daughter who is in the Adventures in Missions program in Lubbock, TX. Donny began preaching the Gospel one year after his obedience to the plan of salvation in 1988. He is here today to ask if there might be someone who might want to become better equipped to teach or preach the Bible.

**Our Wednesday night text, *The Merged Gospels*, took seven years to write, including seven trips to Israel, where we literally retraced the steps of Jesus through all 94 geographic sites referred to in the Gospels. Unlike typical Gospel harmonies, which only compare blocks of texts, *The Merged Gospels* breaks all four Gospels down *word-by-word*. Not one word of Scripture has been removed, and all difference between the Gospels have been highlighted.**
