# Welcome to the Alpine church of Christ

September 04, 2022

Ordinary people serving an extraordinary God.

*Last Sunday the congregation honored our college-age students with "Welcome back" baskets.*

My son's first grade teacher started her own "me too" movement. On the first day of class she had all of them stand and say what their favorite hobby is, or what their favorite toy is, or favorite food is etc... If you also like it you must say "me too" and go stand within that group. The children had so many things in common they were continuously shouting "ME TOO" and moving from group to group. The children instantly realized just how much they have in common with their class mates and that made them less anxious, more relaxed and comfortable, laughing and talking and quickly making friends.

Teachers make the world a better place ❤️

*It is hard to believe that the Wubben family arrived five years ago last Thursday, September 1. Since then, Chris, Ian, and Julie have been members of the Alpine church.*

**Next Saturday, September 10, a special event for college-age students.**

**Meet in the annex at 6 p.m.**

**Enjoy an afternoon of fun, fellowship, and food. Invite your friends!**

**This is your bulletin.
