Welcome to the Alpine church of Christ

September 19, 2021

Ordinary people serving an extraordinary God.

Congratulations Doris! Heavens rejoice as another member decides to be baptized.

Point of Rocks, Ft. Davis

Once a stopping point that offered a cool drink of water along the historic San Antonio-El Paso Road, today Point of Rocks is a roadside park located about 10 miles west of Fort Davis along the scenic TX 166 highway. Though no trails are clearly marked, this moderate to strenuous hill can be climbed with relative ease, just pick a route that looks good and go up. Once atop the hill, climbers can take in views of the surrounding peaks which include Brown and White Mountains to the west, Blue Mountain to the immediate northeast, and on clear days peaks from neighboring Brewster and Presidio Counties – including the iconic Cathedral Mountain 35 miles to the southeast. It should be noted that parts of the Point of Rocks climb are on sections of private property, with the landowners graciously allowing hikers to explore the hill. While hiking, please be courteous of this fact, and show the land the proper respect it deserves as if you were hiking in a state or national park. Though the hike up is mostly unprotected, there are picnic tables with shade right beside the parking area making for a perfect spot to have an après hike lunch. Point of Rocks Roadside Park is just outside of Fort Davis, about 35 miles away from the Alpine Church of Christ building.

Members support Doris Weatherman in her decision to put on Christ through baptism.

October 23-24

Wissam visits Alpine.

Saturday, Oct. 23, a study on evangelism.

Sunday, Oct. 24, an update on his work

with Muslims in

Detroit and the world.

He delivers the sermon also.

Happy Anniversary Tricia and Zach!
