Welcome Home to Alpine church of Christ

September 27, 2020

Ordinary people serving an extraordinary God.

Back to Pre-Covid 19 attendance levels!

The college group met again on Monday night. This is what growing in the grace and knowledge of Christ looks like.

A sign of the times

Consider attending a leadership dinner on October 18 from noon-1:00 p.m.

The Alpine Church seeks the independence and autonomy of the New Testament church. However, embracing autonomy places pressure on the local church members to contribute and take an active leadership role. The purpose of the October 18 leadership dinner is to begin discussions related to autonomy and our local church.

Most religious groups affiliate with larger organizations, allowing even very small local churches the advantage of a built-in backup plan. We have chosen to follow the pattern of the first century church, necessitating special attention to individual leadership and decision-making skills. The Alpine church of Christ needs your support and careful consideration of goals and consequences and the decision-making process. Please consider attending this dinner/meeting.
