Welcome Home to Alpine church of Christ

October 11, 2020

Ordinary people serving an extraordinary God.

Friday night "Game night" is about reaching out to our community and getting to know one another. Special thanks go to Caleb, Charles, and Hailey for their commitment to this effort. Also, thank you to those who provide food for our visitors and college students.

Proposal for Bible classes in 2020-2021.

The leadership is considering a curriculum purchase. Your opinion matters!

Take students of all ages on an exciting chronological journey through the Bible! Bring the whole family together with 200 faith-building lessons for six age groups from Pre-K to Adult. Start or pause anytime.

Research shows two-thirds of young people walk away from the church. That usually means they are walking away from the beliefs of their parents, too. Could Sunday school be part of the problem? Curriculum specialist Bryan Osborne dives into why kids are turning away and how ABC can help.

Lessons are synchronized across all six age groups with different levels of depth. Families can learn at the same time and enjoy easy opportunities to talk about God's Word together with an included midweek devotional.

The Bible Is Trustworthy. We can trust all of God's Word beginning in Genesis! While showing that Scripture is absolutely true, ABC emphasizes the importance of carefully and accurately interpreting the Bible.

Apologetics. We must be ready to give an answer for what we believe. ABC equips young and old with facts from culture, history, and science to defend the Bible against common skeptical questions.

Chronological/HistoricalThe Bible presents true history, not made-up "stories." Chronological teaching through the whole Bible gives your students a powerful, worldview-shaping overview of God's Word.

Please review the materials and send your thoughts/concerns on the enclosed postcard by 10/18/2020.
