# Welcome Home to Alpine church of Christ

November 03, 2019

Ordinary people serving an extraordinary God.

## Deja Vu or just consistent involvement?

Day in and day out these young men of God stand in front of supportive members helping with the Lord's Supper, reading scripture, praying, and leading singing. Reminds me of the adage "by the inch it's a cinch." The first step in serving others is taking the first step. Join us the last Sunday evening of every month.

**We need your input to make 2020 a year for the Alpine church of Christ to represent the very best we have to offer our Lord!**

- **What changes would you like to see in 2020?**
- **How can we support our Bible classes? What can we do to encourage our youth? What are you willing to do to make this happen?**
- **Is the Wednesday night Bible class and devotional something we need to continue? How can it be more of an encouragement?**
- **Are there any safety or security issues we need to address?**

**Please respond and place your paper in the plastic green box in the back of this building.**
