Limpia Canyon Primitive Area

Making a Church Budget

Whether for a single person, married couple, or church family—a healthy budget is a must for any financial plan. A budget is your roadmap, and it makes life easier. Many churches today take a “use it or lose it” stance on money in the name of trusting God to provide more when it’s needed. But **even though we trust that God will bless us, we need to have a plan!** Proverbs 27:23 reminds us: “Be sure you know the condition of your flocks; give careful attention to your herds.”

Make your plan on paper, on purpose before the month begins...” **Dave Ramsey** (<https://www.ramseysolutions.com/personal-growth/how-to-have-a-healthy-church-budget>)

Planning means fixing our eyes on the goal, which is spreading the Gospel, and being ready to adjust plans accordingly.

A less-traveled area within Davis Mountains State Park’s boundaries, the Limpia Canyon Primitive Area makes up the northern half of the park. No developed facilities exist within this section, offering a chance for visitors to disconnect even more during their stay in west Texas. The area has numerous primitive camping sites, about 10 miles of hiking trails, and also allows folks to bring their trusty steeds along with several primitive equestrian campsites available. The Primitive Area also boasts the highest elevation within the Park, with Limpia Creek Vista reaching heights of 5,700 ft, being accessible via the .3 mile Vista Trail. Though easy to spend a couple nights exploring all the backcountry has to offer, there are trails that are easily doable in a day, such as the Limpia Creek Trail. The Primitive Area is accessible year-round, save for certain dates that are reserved for hunting. More information on hunting may be found by calling the park headquarters at 432-426-3337. Campsite reservations may be made online at texasstateparks.reserveamerica.com or by calling 512-389-8900. Limpia Canyon Primitive Area at Davis Mountains State Park is three miles west of Fort Davis on HWY 118, and about a 30 minute drive from the Alpine Church of Christ building. (Joe Ed)
