From our 2017 congregational meeting notes:

*What we believe about the Alpine Church:

The Alpine Church of Christ is a group of people whose “soul” guide is the Word of God (The Bible). We strive to operate as close to its teachings as we humanly can understand them and to conduct ourselves, our services, and actions in a manner that matches those teachings. We strive to love as Christ loved, both in our personal lives and interactions with others, as well as the love we show to one another (members and guests). We seek to please, honor, and glorify God by following the examples He outlined in his Word as we worship, teach, sing, pray, serve, and encourage. Our church consists of a group of sinners who desire to be more Christ-like and continually repent of sins. We believe that the blood of Christ covers our sins, and that baptism places us in Christ.

Congratulations Jodi!
